

GRANT HIGHLIGHTS

GRANT SCHOOL

FEBRUARY 9, 1948

SPRINGFIELD, WASHINGTON

JUST OUR OPINION

The citizens of Grant school should all take pride in the appearance of their school grounds. We certainly don't want an untidy yard. One big way that all of us can help to keep nice clean school grounds is to throw candy wrappers in containers provided for that purpose. Do not misinterpret this because we do want you to buy candy here at school.
